Scope of Study

Summary: This data collection contains fiscal data on revenues and expenditures of state, county, and other local governments (urban governments of certain sizes, school districts, etc.) in 1902, 1913, 1932, 1942, 1962, 1972, and 1982. Variables in this data collection include state, year, type of government, and the dollar amount of the revenue or expenditure at four levels of aggregation: (1) total expenditures and revenues, (2) major categories that match the major 20th-century categories of expenditures and revenues, (3) minor categories that correspond to special features of 19th- and/or 20th-century governments, and (4) and idiosyncratic categories that differ from state to state.

Date(s) of Collection: • December 1993

Universe: State, county, and other local governments (urban governments of certain sizes, school districts, etc.) in the United States.

Data Type: census data

Data Collection Notes: (1) The data files use commas and quote marks to delimit variables. (2) See also SOURCES AND USES OF FUNDS IN STATE AND LOCAL GOVERNMENTS, 1790-1915: [UNITED STATES] (ICPSR 9728).

Methodology

Data Source: various printed reports from the United States Census Bureau, CENSUS OF GOVERNMENTS 1902, 1913, 1932, 1942, 1962, 1972, 1982

Access and Availability

Note: A list of the data formats available for this study can be found in the [summary of holdings](#). Detailed file-level information (such as record length, case count, and variable count) is listed in the [file manifest](#).

Original ICPSR Release: 1995-03-16

Version History: The last update of this study occurred on 2006-01-12.

2006-01-12 - All files were removed from dataset 9 and flagged as study-level files, so that they will accompany all downloads.
